

# A TASTE OF YORK

## AUTHENTIC BRITISH-STYLE

# PUB

Step into The Yorkshire Rose Avalon Beach, where authentic British charm meets the relaxed ambience of coastal living. Nestled in the heart of the village, this family and pet-friendly pub offers an inviting atmosphere, quality fare, and a warm welcome reminiscent of home.

The Yorkshire Rose is owned and run by local husband and wife team, Richard and Ingrid Kaiser. Richard was born and bred in Yorkshire and has called the Northern Beaches home for more than 20 years. Ingrid and Richard are proud to offer locals and expats a taste of their two homes.

### HEARTWARMING FOOD

You can expect a good quality English-inspired feed at the Yorkshire Rose including scotch eggs, pork pies, Yorkshire puddings, bangers and mash, and of course, beer-battered fish and chips with thick cut chips and mushy peas.

There are lighter options too like the seasonal chicken salad, plant-based grazing board, steamed mussels or the absolute classic, Ploughman's board.

### FANCY A ROAST?

You'll want to go all in on Sunday when the Yorkshire Rose serves up its famous Sunday roast.

It features beef or pork with all the trimmings including roast potatoes,

carrots, peas, and traditional Yorkshire pudding with gravy. And Sunday just isn't complete without a homemade Apple Crumble with ice cream or custard to finish. You'll find room for this!

### FANCY A PINT?

The Yorkshire Rose has nostalgia on tap with classics such as Tetley's, Abbot Ale, Old Speckled Hen, Guinness, Kilkenny or Stella. You'll be welcomed with a pint of the good stuff.

Supporting a local brewery, they also have Freshwater Brewing's Freshie Hazy on tap plus a great selection of quality wines, cocktails, non-alcoholic drinks and spirits.

You'll want to bring your family and four-legged friends to relax in the sunlit beer garden while listening to the retro playlist.

Enjoy Happy Hour with \$7 house wines and selected \$10 pints from 5-6pm, Monday through Wednesday, and 3-6pm Thursday and Friday.

Come and enjoy live jazz every Friday night from 6pm and alternating bands every Saturday afternoon from 3pm.
